

I love this city.

I grew up here and have been working hard as your neighbor, councilmember and Mayor to maintain and improve our quality of life.

RE-ELECT

Gina Papan

TO MILBRAE CITY COUNCIL

I grew up in Millbrae. I care about where we live, work and play.

I want to continue to ensure our neighborhoods are clean and safe, businesses thrive and taxpayer dollars are spent wisely. I respectfully ask for your vote for re-election November 3rd.

In these challenging economic times, I have focused on efficiency, economic development and revenue enhancement so that Millbrae can continue to provide excellent services.

- I worked to preserve our fire and police departments while consolidating services to improve response times, and save taxpayer resources.
- I have worked extensively with our Redevelopment Agency, BART and other agencies to promote new businesses that help our local economy.
- As Mayor I helped finalize negotiations with the School District to refurbish athletic fields at all school sites to improve recreational and athletic opportunities for our youth.
- I'm proud to have the endorsement of Senator Leland Yee, the hard-working men and women of Labor, and a host of prominent local elected officials.
- I initiated an aggressive anti-graffiti effort to hold perpetrators accountable.
- I will fight to improve the quality of life for our seniors, our kids and all residents that make up our vibrant community.
